

2,5-6 litre

Series L Ø180

Series 180 L-pail is a traditional pail aimed for paint and other chemical/ technical products. Easy to open and reseal by a unique design of the pail and the lid profile. The conical design of the pail is logistically advantageous as empty packs are supplied stacked inside each other resulting in higher quantities per pallet.

Conical pails

2,5-6 litre

Series L Ø180

Series 180 L-pail. Tinplate pails for paint and other chemical/ technical products. Easy to open and re-close, by a unique design of the lid- and pailprofile. The series includes pails from 2,5-litre to 6 litre. The external is available in plain, white or decorated to customers' requests. The internal is available in plain or lacquered
