

# 2,5-5 litre

## Series UB Ø180

**Series 180 UB-pail** is a traditional tinplate pail with a roller upper edge. Suitable for paint and chemical/technical products. The conical design of the UB pail is logistically advantageous as empty packs are supplied stacked inside each other resulting in higher quantities per pallet.

## Conical pails

# 2,5-5 litre

## Series UB Ø180

**Series 180 UB-Pail** is a traditional conical pail suited to fit several types of lids. Suitable for paint and other chemical/technical products. The series includes from 2,5 to 5 litre. The external is available in plain, white or decorated to customers' requests. The internal is available in plain or lacquered
