

10 litre

Series L Ø285

Series 285 L-pail is a traditional tinplate pail for paint and other chemical/ technical products. Easy to open and re-close by a unique design of the lid and the pail profile. The conical design of the pail is logistically advantageous as empty packs are supplied stacked inside each other resulting in higher quantities per pallet.

Conical pails

10 litre

Series L Ø285

Series 285 L-pail. Tinplate pail for paint and other chemical/technical products. Easy to open and reseal by a unique design of the lid and the pail. The series includes 10 litre.
