

10-25 litre

Series UB Ø285

Series 285 UB-pail is a traditional pail with a rolled upper edge. Suitable for paint and other chemical/ technical products. The conical design of the UB pail is logistically advantageous as empty packs are supplied stacked inside each other resulting in higher quantities per pallet.

Conical pails

10-25 litre

Series UB Ø285

Series 285 UB-Pail is a traditional conical pail suited to fit several types of lids. Suitable for paint and other chemical/technical products. The series includes 10 to 25 litre. The external is available in plain, white or decorated to customers' requests. The internal is available in plain or lacquered
