## STATEMENT OF INTENT

Emballator UK Ltd ('the Company') is committed to providing high standards of health and safety for all. The Board firmly believes that these high standards are essential for our business to be successful.

It is the policy of the Company to provide safe and healthy working conditions for all employees, contractors, and visitors and to enlist the active support of all in achieving these conditions.

Appropriate resources shall be made available to allow these arrangements to be effectively carried out as far as is reasonably practicable.

In particular, the Company commits, where it is reasonably practicable, to:

- A. Prevent the injury and cases of work-related ill health;
- B. Promote standards of health, safety, and welfare that complies with the provisions and requirements of the Health and Safety at Work etc. Act 1974 and all other statutory provisions and codes of practice;
- C. Provide and maintain safe and healthy workplaces and working environments, safe systems and methods of work and to protect employees and others who may be affected by work operations;
- D. Provide employees with the information, training, and supervision that they need to work safely and efficiently and to develop safety awareness;
- E. Continuously develop and improve the Company's health and safety program through proactive and reactive management;
- F. Define all individuals' responsibilities for health and safety matters;
- G. Encourage full and effective joint consultation and participation of employees across all business levels on all health and safety issues.
